FOR IMMEDIATE RELEASE
June 4, 2013

MRS. NANCY WEICKER APPOINTED EXECUTIVE DIRECTOR

Woodstock, Ontario – The Board of Directors of the Canadian Swine Exporters Association (CSEA) is pleased to announce that Mrs. Nancy Weicker has been promoted to the position of Executive Director, assuming the role from retiring Executive Director, Rosemary Smart on July 1, 2013.

Nancy has been a valuable asset to CSEA since joining the administrative team on December 2010. She has also provided services to the Canadian Swine Breeders Association for many years in both official languages. Her knowledge of the industry both domestically and internationally will continue to be an asset to our industry.

“We are extremely fortunate to have such a pleasant lady with her extensive experience to take over the management responsibilities of the CSEA” says Albert Eringfeld, CSEA Board President. “We also thank outgoing Executive Director, Rosemary Smart for her 21 years of dedication to the Canadian swine breeding industry.” The CSEA looks forward to the continued leadership that will be provided to the Canadian Swine Breeders and Canadian Swine Exporters.

Canadian Swine Exporters Association is a national association that represents the top exporters from across Canada that market and promote purebred Canadian swine genetics worldwide. The Canadian Swine Breeders Association (CSBA) represents the purebred breeders in Canada and is responsible for keeping the database for the pedigree lineage of Canada's swine breeds.
